From Merseburg:

Leaving Merseburg take the half right lane, parallel to B 91 up to the bridge crossing the B 91. Turn left onto the bridge, drive over and turn left again, back into the direction of Merseburg. Second lane on the right is the road leading to Gate Y and the entrance to the Value Park.

From Halle:

Leaving Halle take the first exit on B91, carry straight on, pass the main entrance of Dow, than take the second lane on the right leading to Gate Y and the entrance to the Value Park.

Check in with security at the gate. Take the road Y and turn right at the end of it. Cross the railway (Attention: Trains have right of way!) and turn right into the terminal.

Have a safe trip.
